Welcome

Mr & Mrs Oliver would like to welcome you to this beautiful cottage to share the wonderful setting they have enjoyed for twenty years. It has to be seen to be appreciated.

Lying, as it does, in the heart of Hadrian's Wall country, there are lots of centres of interest. Have a look at Ordnance Survey Sheet 87 to get an idea of the number of Roman Forts in the vicinity.

Naturally there are walks along Hadrian's Wall (or the Roman Wall as it is known in the north east).

Relax in the evening, in front of a coal fire, with TV with video, CD or DVD players. We provide a library of video tapes and dvd discs.
